

WORLDWIDE WALK FOR WATER

You're invited to be an integral part of a global call to action for clean water!

In a month-long global event, “**Worldwide Walk forWater**” hosted by CLEAN International, thousands of businesses, schools, organizations, families and individuals join together worldwide to walk (or run, swim, bike, row or more!) for clean water. It is a global and virtual event as the world unites together to raise awareness and funds for clean water. The month-long event takes place every March in honor of World Water Day (March 22).

Your support, marketed throughout the year, helps to engage, educate and inspire thousands around the world to take action for water throughout the month. We challenge teams to set goals for the month, count their miles (or kilometers!) and raise awareness for clean water. Collectively, we work to log ten million miles worldwide in one month.

SPONSORSHIP OPPORTUNITIES

(Market reach: Global marketing reach within business, education, higher education, and civic sectors worldwide. CLEAN International will work with you to engage your employees, students, members and more in this team-building and life-changing event.)
